## 5-YEAR LIMITED WARRANTY

RSI Professional Cabinet Solutions (RSI PCS), the manufacturer of Wolf Transition cabinets (manufacturer), warrants its parts and products to be free of substantial defects in materials and workmanship for a period of five (5) years following their acquisition date. This warranty is only to the original consumer purchaser and may not be transferred. If a part or product is determined at the sole discretion of the manufacturer to have substantial defects in either materials or workmanship, then: For all five years, manufacturer will repair or replace parts or products that are defective. The parts or products will be delivered at no cost. In the event the product or part is no longer available, manufacturer will provide, at its sole discretion, either an equivalent product or appropriate compensation.

### LIMITATIONS AND EXCLUSIONS

This warranty does not cover any problems or damage that result from improper transportation, improper installation, mishandling, misuse, abuse, neglect, abnormal use, commercial use, improper maintenance, non-manufacturer repairs, accidents or acts of God, such as hurricanes, fire, earthquakes or floods. This warranty, and any applicable implied warranties, does not cover incidental or consequential damages arising from any defects in the product, such as labor charges for installation or removal of the product or any associated products. This warranty does not cover defects or damage caused by normal wear and tear, alterations, environmental conditions, humidity absorption, or mold. In addition, variations in hand-carved items, wood grain, finish color, aging or other natural wood and stain characteristics are not considered defects and are not covered by this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

In addition, variations from samples or model homes, wood grain, finish, color, aging or other natural wood and stain characteristics are not considered defects and are not covered by this warranty.

To the extent permitted by law, this warranty and any applicable implied warranties do not include incidental or consequential damages or expenses arising from any defects in the product. This warranty does not cover incidental costs such as delivery, storage or handling expenses, labor charges for installation or removal of the product or any associated expenses. If products are altered, removed or reinstalled after the initial installation date, this warranty is voided.

**THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTIONS ON THE FACE HEREOF AND MANUFACTURER DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY, TO THE EXTENT PERMITTED BY LAW.** To the extent that such disclaimer is not permitted under applicable law, any implied warranty shall be coextensive in duration with this warranty. Some states do not allow limitations on the duration of implied warranty, so the above limitation may not apply to you. This warranty is valid only in the United States.

In keeping with our policy of continuous product improvement, manufacturer reserves the right to change specifications in design and materials without notice and with no obligation to retrofit products we previously manufactured.

## Door and Frames

On this page:

- Includes face frame and door(s) only. No case included.
- Not available with soft-close hinge
- Cabinet code **width** refers to the size of the door, or two doors together, on the frame and not the outside dimension of the frame. Cabinet code **height** refers to the overall height of the frame, not the doors.
- Face frames are made using 3" stiles and rails and may be cut down in width and height by 1 1/2" on both sides and both ends, meaning the overall dimension of the frame can be reduced by 3" overall both in width and height

## Door and Frames

On this page:

- Includes face frame and door(s) only. No case included.
- Not available with soft-close hinge
- Cabinet code **width** refers to the size of the door, or two doors together, on the frame and not the outside dimension of the frame. Cabinet code **height** refers to the overall height of the frame, not the doors.
- Face frames are made using 3" stiles and rails and may be cut down in width and height by 1 1/2" on both sides and both ends, meaning the overall dimension of the frame can be reduced by 3" overall both in width and height
