CABINETS

WOLF CLASSIC™

## WOLF CLASSIC

### THE FASTEST-GROWING CABINET LINE IN AMERICA

With a combination of style and affordability, Wolf Classic has become one of America's most popular cabinetry lines. Designed for independent dealers by independent dealers, cabinets are available in today's most popular door style and finish combinations in stock and at extremely attractive price points. This includes the upscale look of paints and glazes at no additional charge.

With a broad selection of SKUs, accessories and mouldings, Wolf Classic will make any design as beautiful as it is affordable. Wolf Classic is a trusted choice for cabinetry. It's backed by a five-year warranty, which is better than any other cabinetry line at this price, so you can buy with confidence.

### EXCEPTIONAL STYLE, EXCEPTIONAL VALUE

Designed for independent dealers by independent dealers, Wolf Classic proudly offers nineteen of today's most popular door style/finish combinations in stock and at extremely attractive price points. This includes the upscale look of paint and glazes at no additional charge. With a broad selection of SKUs, accessories and mouldings, Wolf Classic will make any design as beautiful as it is affordable.

### QUALITY IS IN THE DETAILS

Wolf Classic offers three distinct series to make finding the right cabinetry for every project easy. Thanks to carefully curated styles, finishes, features and more, every need is met with a quality choice.

Plus, all Wolf Classic cabinets are handcrafted, combining generations of woodworking expertise with today's latest manufacturing technologies. Solid hardwood components and a state-of-the-art finishing systems produce a consistently beautiful and long-lasting appearance.

### BUY WITH CONFIDENCE

You can be confident when choosing Wolf Classic cabinets. In addition to certifications from the Kitchen Cabinet Manufacturers Association (KCMA) and the Environmental Stewardship Program (ESP) for both the Expression and Insight Series, Wolf Classic boasts a 5-year warranty – better than any other cabinet line at this price point.

**Whether you're looking for style, quality, affordability — or all three — look no further than Wolf Classic cabinets.**

## WOOD CHARACTERISTICS & VARIATIONS

Naturally occurring wood characteristics such as variations in color, grain, mineral streaks and knots are not considered defects.

Color variations are a natural occurrence due to species, age, character of cabinets, and exposure to UV light and sunlight. Such variations and changes are not considered defects. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets.

Warping is the bending or twisting of a part. To measure a door or shelf, lay the product on a flat surface and measure the gap from the surface to the part. The standard allowable tolerance for wood is 1/8" per lineal foot. Materials that fall within specification are considered acceptable, as a part of the natural characteristics of wood.

## FINISH PROCESS

1. All surfaces are machine-sanded.
2. Dust particles are removed before entering each spray machine.
3. Product enters an automated finish system where solvent-based pigment stain is applied.
4. Product is sealed and put through a pre-cure drying process.
5. Complete cure is done with slow bake process.
6. All edges of parts are hand-sanded before being put in a brush-sanding machine.
7. Final topcoat is applied and put through a pre-cure process followed by slow bake for final, thorough curing.
8. Clear finishes use a catalyzed varnish, and paint finishes use a post-catalyzed lacquer.
9. Products are inspected for defects, cleanliness and smoothness.
10. The front side of the products gets a stain coat, a sealer coat and final top coat. The backs of drawer fronts and doors get a stain coat and a sealer coat.

## DOOR STYLES

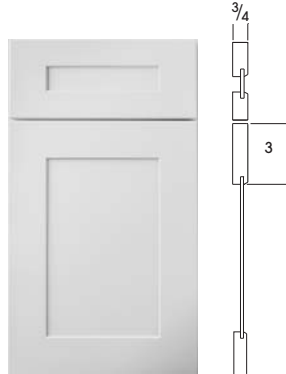

### EXPRESSION SERIES

#### DARTMOUTH

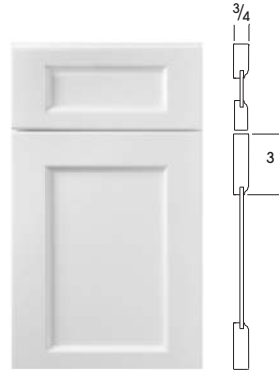

- Flat Panel Shaker Door
- Slab Drawer Front

**ADA – Universal Design**

**ADA and Universal Design (UD) Specifications**

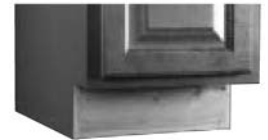

Wolf Classic cabinets are offered in ADA-Compliant and Universal Design specifications for both truckload and kitchen-at-a-time orders.

Available in all standard door styles and colors. Wolf’s ADA and Universal Design cabinets are special order only and require a longer lead time to deliver. Please work with your Wolf Sales Consultant or Wolf Customer Care to determine your delivery date.

**ADA**

- 32½" Cabinet Height
- 9" High Toe-kick
- 9" Deep Toe-kick

**Universal Design (UD)**

- 32½" Cabinet Height
- 5½" High Toe-kick
- 4⅞" Deep Toe-kick

**What is ADA Compliance vs. Universal Design?**

ADA-compliant cabinets are designed to meet the needs of people with disabilities per the Americans with Disabilities Act. Wolf Classic offers ADA-compliant cabinetry with a reduced height and a taller and deeper toe-kick. However, it is important to note that just because ADA-compliant cabinetry is used, your design/project does not automatically become ADA compliant. ADA compliance is based on the overall height of the workspace, clear floor space, knee clearance and toe clearance combined. All of these elements must be applied together and accurately for your design to be considered ADA compliant.

Universal Design, also known as Aging in Place Design, is a much broader concept. The goal is to create an environment that is usable, to the greatest extent possible, by people of any age or ability without the need for a special design or adaptation. In order to be considered UD, your design must consider the space needed for approach, reach, manipulation and overall use regardless of the user’s body size, posture or mobility.

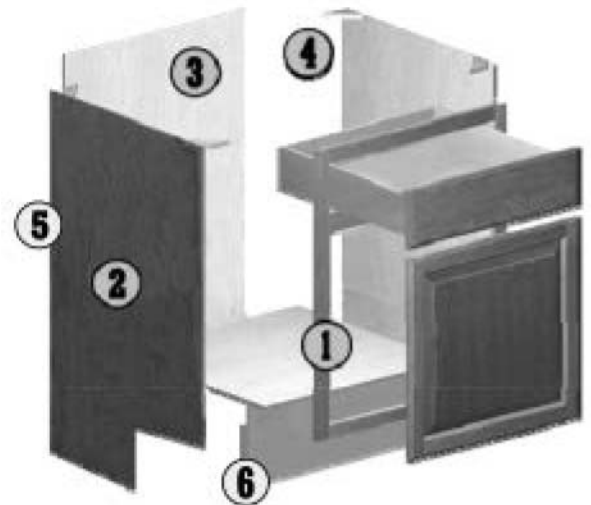

Both of these design styles are concerned with addressing the needs of users beyond those considered to be “average” or “typical”.

**ADA COMPLIANT UNIVERSAL DESIGN SPECS**

- ① Cabinet fronts are made from ¾" solid maple wood. Rails are pocket drilled and assembled with 1¼" screws for rugged durability.
- ② Side panels and bottom – ½" plywood with matching exterior laminate – glued and stapled in a ½" dado in the cabinet’s front frame.
- ③ Back panels – made from vinyl-covered (inside only) ½" plywood – are glued and nailed in a ½" dado and stapled to the hang rail and cabinet bottom.
- ④ All-wood ¾" corner blocks are installed on all corners.
- ⑤ All Base cabinets are 32½" high.
- ⑥ Wolf Classic’s ADA cabinets are designed to meet the Americans with Disabilities Act guidelines with a Toe-kick height of 9". Universal Design cabinets are constructed with a 5½" high toe-kick. Both ADA and UD cabinets are available in special order and truckload quantities.

**NOTES:**

1. In order to maintain height compliance, cabinets must be placed on top of flooring rather than the floor butting up to the cabinet toe-kick.
2. ADA and UD bases do not include an interior shelf due to cabinet and toe-kick heights.

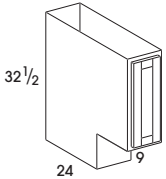

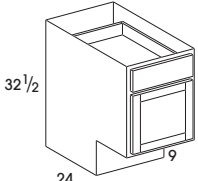

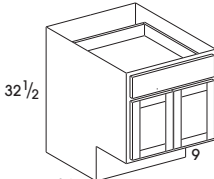

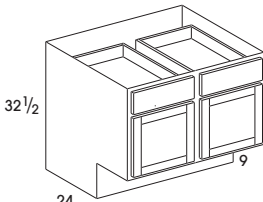

**ADA Cabinets:** Local codes may differ. Please confirm specifications with local code enforcement agencies prior to ordering. These items are non-returnable.

## TRUCKLOAD PROGRAM

For large projects, Wolf Classic offers a robust special order truckload program.

Upgrades and replacements are a big part of the housing rental business, where controlling costs and maximizing profit are always paramount. Equally important is the speed with which you complete your rehab project. We understand that empty units don't generate income.

Wolf's expanded truckload program offers a wide selection of construction and color options, giving you the flexibility to adjust features based on your project requirements. Whether you need to keep costs lower with particleboard or upgrade to our Heavy Duty specification, Wolf Classic can deliver exactly what you need with the trusted reliability you've come to expect from Wolf.

Truckload orders can be made for any of the Wolf Classic door styles.

Dartmouth

Dartmouth 5-piece

York

Berwyn

Hudson

Circa

Trenton

Hanover

Saginaw

Somerset

- Despite plans to change the spec, all pricing begins with the standard list price for that item
- For truckload orders in ADA construction, start with pricing from the ADA section of this price guide
- Heavy-Duty construction is available only on bases, tall and vanities
- Quote for 9 items or less: 2 business days
- Quotes for 10 items or more: 5 business days
- Truckload order form required – see page 65
- SOMERSET Truckload orders available with in stock SKU's only

Truckload Only

TRUCKLOAD OPTIONS

CHOOSE FINISH — Please order a sample door before placing your full truck order.

**STANDARD WOLF COLORS**

Color Category 1

- Chestnut
- Dark Sable
- Grey
- Heritage Brown
- Honey

Color Category 2

- Antique White Paint
- Pewter Paint
- Opal Paint
- White Paint

**NON STANDARD WOLF COLORS**

Color Category 3

- Auburn
- Cinnamon
- Natural
- Onyx

**COMPETITIVE COLOR MATCH**

Color Category 4

This option is specifically designed for matching competitive specifications to win a project order. *Stains only.* This is not a custom paint program. 15 business days' lead time for pricing upon receipt of color sample.

**Note: Somerset and Trenton are not available with expanded finish options.**

CHOOSE SPECIFICATIONS

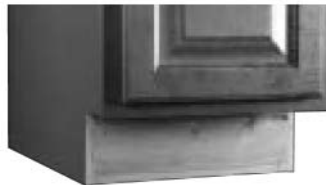

**STANDARD SPECIFICATIONS**

With all plywood construction, solid wood dove-tailed drawers and Maple doors and face frames, Wolf's standard specifications meet or exceed any competitor. Most styles also include Soft Close on both door and drawers.

**HD HEAVY-DUTY SPECS**

For extreme use applications, choose our HD specification with all the features of our standard product plus a 3/4" solid pressure-treated toekick in 4 1/4" standard and 5 1/2" or 9" ADA.

Note: 9" ADA toekick in HD is comprised of 5 1/2" pressure-treated material and 3 1/2" standard plywood.

**ADA COMPLIANT UNIVERSAL DESIGN SPECS**

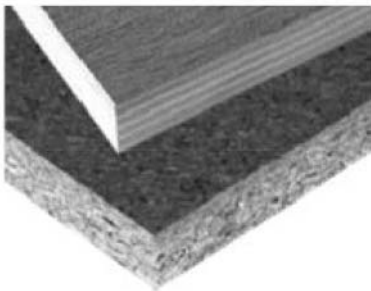

In addition to our standard offering, Wolf Classic also offers items designed to meet the Americans with Disabilities Act guidelines. ADA cabinets are 32 1/2" in height and available in all colors with a 5 1/2" or 9" tall toekick.

**Note: Somerset is not available for HD or ADA specifications.**

CHOOSE CONSTRUCTION

**FEATURES**

Plywood Construction  
Particle Board Sides – Finished  
Particle Board Sides – Unfinished

**Note: Somerset is not available for construction changes.**

Non Soft Close Glide

Soft Close Glide

Non Soft Close Hinge

Soft Close Hinge

Note: Soft Close Hinge not available in Saginaw

## ORDERING GUIDELINES

The products shown in this section are available as special order in full-truck quantities only. Truckload orders will deliver direct from Wolf's manufacturing facility. Please review the requirements below in order to participate in our Truckload program.

### PRODUCT MIX

Truckload orders must consist of a single door style in a single color. Mixing of styles and/or colors is not permitted. You can, however, mix construction styles (Heavy-Duty, ADA, UD, Standard) on the same truck as long as the door style/color is exactly the same. Special order material must be purchased in truckload quantities (except ADA in some cases). Single cabinets or quantities falling below the truckload requirement are not available for special order styles/colors. Please be sure to double-check your orders to ensure you have not missed any items.

### QUANTITY

Truckload orders must fall between a minimum of 2200 cubes (including panels, mouldings and accessories) or 220 cabinets (not including panels, mouldings & accessories) and a maximum of 3150 cubes. Any order over the minimum – whether special order or in-stock material – will be delivered factory direct. (Ex: if you order 2200+ cubes of Saginaw Honey, an in-stock style/color combination, it will be delivered factory direct despite being an inventoried item.)

### TIMEFRAME

Please confirm current lead times with your Wolf Sales Consultant. Lead times may vary due to current production capabilities and product demand. **Turnaround time begins once the order confirmation is approved.** The delivery date provided on the confirmation is the earliest date available. If you would like a later date, please communicate with Wolf Customer Care to update your order. Once the order confirmation is approved, the delivery date cannot be changed without penalty. Delivery date changes can only be made in the event of inclement weather. Any non-weather-related delivery change will result in additional freight charges where applicable. Customer Care will contact you within 48 hours with your delivery date.

### FREIGHT

Truckload orders are FOB from our manufacturing facility. Please request a shipping estimate early in the process to ensure you understand all costs associated with your order. If there is a delay between your estimate and order placement, please ask for an updated shipping estimate.

### CHANGES

Once your acknowledgement has been approved, the order has been placed into production. No changes can be made after you have approved your order.

### TOUCH UP KITS AND STORAGE SOLUTION ITEMS

Touch-up kits and storage solution accessories are available for purchase. They cannot ship on the truck with your truckload order. We will coordinate the timing to arrive near the delivery of your truckload.

### UNLOAD TIME

You will be contacted with a delivery time. Please be prepared to unload the truck immediately upon arrival. There is a 2-hour window allowed for unloading. Detention fees will be charged when that 2-hour window is exceeded.

### MOULDING QUANTITIES

All fillers, toekicks and mouldings are sold in full carton quantities as specified to the right. We are unable to break cartons.

## Truckload Only

### TRUCKLOAD QUOTE FORM – REQUIRED

- Truckload orders must consist of a single door style in a single color. Mixing of styles and/or colors is not permitted.
- You can mix construction styles (Heavy Duty, ADA, Standard) on the same truck as long as the door style/color is exactly the same.
- Truckload orders must fall between a minimum of 2200 cubes (including panels, mouldings & accessories) or 220 cabinets (not including panels, mouldings and accessories) and a maximum of 3150 cubes.
- Any order over the minimum – whether special order or in-stock material – will be delivered factory direct. (Ex: if you order 2200+cubes of Saginaw Honey, an in-stock style/color combination, it will be delivered factory direct despite being an inventoried item.)
- Lead times may vary due to current production capabilities and product demand. Turnaround time begins once the order acknowledgement is approved. The delivery date provided on the acknowledgment is the earliest date available.
- Truckload orders are FOB from our manufacturing facility.
- Once your acknowledgement has been approved, the order has been placed into production. No changes can be made after you have approved your order.

TRENTON: Shale and Woodland Brown use Oak face frames and accessories to better match door's finish appearance.

**WOLF CLASSIC | 5-YEAR LIMITED WARRANTY**

Wolf Classic cabinets have been manufactured under the highest standards of quality and workmanship.

**FIVE-YEAR LIMITED WARRANTY ON CABINETS, DRAWER GUIDE AND HINGES**

Wolf Home Products warrants to original consumer purchasers for five years from date of original purchase that cabinets, drawers, drawer guides and hinges used in the manufacture of Wolf Classic cabinets shall be free from defects in material and workmanship under normal use.

**GENERAL WARRANTY GUIDELINES**

Should Wolf Classic cabinets fail during the applicable warranty period due to defects in the material or workmanship under normal use, Wolf Home Products, at its discretion, will repair or provide the parts necessary to replace the defective products.

This warranty is applicable only to products used in residential applications in the United States and is not transferable. This warranty does not cover products that are misused, abused, mishandled, improperly installed, improperly stored, changed, modified or subject to extreme temperatures or extreme moisture levels, or normal wear and tear. This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of the defective product, regardless of whether the work was performed by a contractor, service company or the consumer.

Variations in color and grain pattern are a natural characteristic of wood. Color changes also may result from exposure to light, heat, smoke, household cleaners, and other elements and environmental conditions that are part of the aging process. These material variations and changes are not covered by this warranty. Wolf Home Products reserves the right to substitute for discontinued product the most similar product in styling, wood species and color available at the time a claim is submitted.

Paint finishes are uniquely different from standard wood finishes. On all wood products, expansion and contraction are typical due to changes in climate conditions. Due to this normal movement, paint finishes may develop slight separation lines, finish breaks and seam lines. With use of selected hardwoods and veneers, some grain patterns and wood characteristics (checks, pin knots) as well as seams and joints will remain visible through the paint finish. Over time, there may be a slight color shift, due to exposure to natural and artificial light. These normal conditions are not considered quality defects and are not covered by this warranty.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF WOLF HOME PRODUCTS AND IS IN LIEU OF AND WOLF HOME PRODUCTS DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

To submit a claim under this warranty, contact your nearest Wolf Classic cabinets dealer or send a letter explaining the defect along with photos and a dated sales receipt as proof of purchase to the address below.

Wolf strives to ensure all pricing and specifications are accurate. However, in instances where there are discrepancies between 20/20 and the list pricing and product specification guide, use the current guide as the rule. If you are in doubt about any pricing or specifications please contact your Wolf Sales Consultant or Wolf Customer Care.
